MODE

DESCRIPTION

The model that launched SureFire headlamps into best-in-class status. Minimus provides the right amount of light — 13 preset outputs up to a max of 300 lumens — precisely where you need it, thanks to its adjustable output knob and rotatable LED housing.

FEATURES

- High-performance LED with faceted MaxVision® reflector produces a wide, smooth beam optimized to your field of vision.
- Push button On/Off switch and 13 position variable-light output dial permits one-handed adjustment from 5 to 300 lumens.
- Hard-anodized aerospace aluminum housing is lightweight & durable.
- Push button switch retains memory of light output at any of the 13 output settings from previous activation.
- Press and hold push button switch for 4 seconds in the off position or when light is activated for SOS mode.
- Custom-made headband utilizes fine mesh material built for comfort, durability, and a secure fit, with or without a helmet.
- Breathe-O-Prene® pad fits snugly and comfortably against the forehead while wicking away moisture. The pad can be removed for washing or replacement.
- Leashed battery end cap is built from hard-anodized aluminum.
- Low-profile headband adjustment clip is rugged yet comfortable.
- Detachable red filter included.

SWITCHING:

Click on and rotate to select from 13 output levels
